Web Developer Intern <i>Reflekt Vision, Bhubaneswar, Odisha</i>	April 2023 - August 2023
<ul style="list-style-type: none">• Built responsive websites using HTML, CSS, and Bootstrap, seamlessly integrating e-commerce functionality within WordPress.• Optimized WordPress websites, resulting in a significant increase in lead generation.	

PROJECTS

- **Web Agency Website:**
Created a responsive website using **HTML, CSS, Bootstrap**, and **JavaScript**. This ensures the website adapts seamlessly across various devices.
- **Audio Player App:**
Developed an interactive audio player using **ReactJS**. Users can select audio files from their local system, store them in **local storage** for persistent playback, and enjoy a seamless listening experience. [Demo](#)
- **Weather App:**
Built a dynamic weather application using **ReactJS** and an online weather **API**. This application retrieves **real-time weather data**, providing an intuitive interface to view current conditions and forecasts. [Demo](#)
- **Todo List App:**
Created a user-friendly Todo List application using **ReactJS**. This application allows users to manage their tasks, enhancing their productivity. [Demo](#)
